STATEMENT OF REASONS

CHESHIRE WEST AND CHESTER BOROUGH COUNCIL
(BRADLEY LANE, FRODSHAM)
(RESTRICTION OF DRIVING) ORDER 2016

We have received complaints about damage being caused to property, verges and hedges on Bradley Lane by large vehicles using the road.

Therefore to prevent this happening we propose to introduce a width restriction.

At its narrowest point the road is 2.3m wide (7'6"); following the guidance set out in Chapter 3 of the Traffic Signs Manual the limit would be signed as 2.15m/ 7'0".
